IWEEE 2020

Deadline for submission is approaching for the

2nd Italian Workshop of Econometrics and Empirical Economics - IWEEE 2020

"Time Series Models: Theory and Applications"

at University Ca' Foscari, Venice, January 23-24, 2020.

Papers can be submitted electronically in pdf format (with a limit of one paper per submitter) to the email address: iweee2020@gmail.com. The deadline for submissions is **September 30th, 2019**. The decision notification date is November 15th, 2019.

The workshop focuses on methodological advances and innovative applications of state-of-the-art econometric methods for time series; it aims at bringing together econometricians and statisticians to communicate and discuss the current developments in financial and econometric time series.

The conference organizers welcome submissions of both empirical and theoretical research.

Keynote speakers:

- **Sylvia Frühwirth-Schnatter** (Wirtschaftsuniversität Wien)
- **Oliver Linton** (University of Cambridge)

Program Committee:

Tommaso Proietti (University of Roma "Tor Vergata"), Roberto Casarin (Ca' Foscari University of Venice); Luca Fanelli (University of Bologna); Marta Banbura (European Central Bank); Paolo Santucci De Magistris (LUISS Guido Carli, Rome); Valentina Corradi (University of Surrey); Martin Wagner (TU Dortmund); Anders Rahbek (University of Copenhagen); Jean-Michel Zakoian (CREST, University of Lille); Massimo Franchi (University of Rome La Sapienza); Francesco Ravazzolo (Free University of Bozen-Bolzano); Ana Beatrix Galvao (University of Warwick); Katerina Petrova (University of St Andrews, UK); Roberto Renò (University of Verona); Anders Bredahl Kock (University of Oxford); Eric Hillebrand (Aarhus University).

Local Organizing Committee:

Monica Billio (University Ca' Foscari, Venice), Giovanni Angelini (Ca' Foscari University of Venice), Irene Mammi (Ca' Foscari University of Venice), Dario Palumbo (University of Cambridge), Francesca Volo (Ca' Foscari University of Venice).

Workshop & Conferences around the world

MAF 2020
9th International Conference Mathematical and Statistical Methods   Geneve (CH),
for Actuarial Sciences and Finance   April 15-17, 2020

The Steering Committee is delighted to announce the 9th International Conference MAF 2020.
MAF 2020 promotes interaction between mathematicians and statisticians in actuarial sciences and finance.
MAF 2020 is open to academicians and to professionals, to encourage cooperation.
MAF 2020 covers a wide variety of subjects in actuarial science and financial fields.

Keynote speakers: Michael O'Neill, Jaap Spronk, Howell Tong.

Submission of original contribution and proposals of organized sessions are invited.

Important dates:
- Submission of 1-page abstracts: by November 22nd, 2019.
- Notification of 1-page abstract acceptance: by December 13th, 2019.
- Organized session proposal: by October 25, 2019.
- Notification of organized session acceptance: by November 8, 2019.
- Submission of a short paper* (facultative): by January 10th, 2020.
- Conference: April 15-17, 2020.
*The accepted short papers, at least 4 pages and at most 6 pages, will be included in a Springer Volume.
