**IMPORTANT:** The inclusion of the paper in the final program is however subject to the conclusion of the payment process by **Friday 3<sup>rd</sup> July 2026**. For organizational reasons, the workshop is reserved to SIDE-IEA members (yearly membership fee € 80). All information on how to become a SIDE-IEA member can be found at <https://www.side-iea.it/become-member>. Once completed the registration to the SIDE-IEA, you can start with the enrollment and payment for participating at the workshop. In the [web page](#) of the workshop, on the left, you can find the blue button (COURSE ENROLMENT FORM); once completed with your data, you will receive an automatic link for the payment. The € 250 participation fee covers all expenditures for accommodation (double room) and meals (breakfast, lunch and dinner) during the two days of the workshop. We also allow speakers to present their papers virtually. In this case the fee is € 150.
